WEST ESSEX BAND BOOSTERS

How You Can Help

There are so many great ways Band Parents can help throughout the school year. Here are some of them:

- **Attend WEBB Meetings** – just one hour a month keeps you well informed and aware of all the great things WEBB is doing for the students of all the West Essex Band Programs
- **Volunteer Your Time** – everything we do is for the students, and we can't make this happen without volunteers throughout the year, and especially during Marching Season, where the time demands are at their peak
- **Donate Your Talent** – special skills are often needed! Photographer? Culinary Master? Welder? Graphic Artist? We've got a job for you!
- **Support All Fundraising Efforts** – we have only a few fundraisers throughout the year, so we need every student's support to make each one successful. The largest by far is the Tournament of Bands Chapter X Championships held each Fall at West Essex. This one event generates a large portion of our revenue for the entire school year for all Band Programs. So, even if your child is not in Marching Band, your support is needed!
- **Stay Informed** – read the Band Boosters emails, and visit our website often for the latest information
